EXPERIENCE

Lead Graphic Designer   March 2007 to present
Homeschool ALUMNI
www.homeschoolalumni.org
Responsible for all graphic design needs: web graphics, event logo identity, event promotional items (online and in print), promotional merchandise (t-shirts, mousepad, bumper stickers, etc.), advertising (web banners, magazine ads).
Worked with admin and design teams to create these items, with responsibility to finalize designs and optimize them for web or printing.
Software: Adobe Photoshop, InDesign, Acrobat

Editor, Designer   July 1995 to October 2008
Hidden Wisdom Magazine
www.hwmagazine.org
Did all page layout and design for this bi-monthly (later quarterly) magazine, optimizing photos and graphics for b/w printing, preparing PDFs to printer specifications, etc. Responsible for all copyediting, organizing articles, planning themes, corresponding with subscribers, financial records.
Software: Microsoft Publisher, Adobe Photoshop, InDesign, Acrobat

Webmaster, Designer   1999 to present
Paul's Grains
www.paulsgrains.com
Designed and coded website, and responsible for all maintenance. Created business logo and handle all desktop publishing needs: brand identity, product labeling, fliers, signs, posters, ads.
Software: Adobe Photoshop, InDesign, Acrobat, GoLive

Freelancer   2005 to 2008
HeartThoughts Publications
www.ylcf.org/heartthoughts/
Designed cover art for two books: *Pearl of Beauty* and *Quest for the High Places* (second edition). Also created a banner for booth display and a tri-fold brochure.
Software: Adobe Photoshop, InDesign, Acrobat, GoLive

Freelancer   2007
Sunbelt Transformer
www.sunbeltusa.com
Hired as a freelancer for website graphics, data entry, and diagram modification/digital cleanup.
Software: ULEAD PhotoImpact, Adobe Photoshop
